

ROSARITO INDUSTRIES CORP

LIST OF Electro-Mechanical PROJECTS

License: #13959

ELECTRICAL PROJECTS

EXTREME OCEAN LUCK DEV'T CORP

Electrical Plan & Design Analysis

Electronics Design Plan

Installation of Primary Metering System & 2500 kVA Substation

Generator with ATS and LVSG & Building Wiring

Installation of FDAS, CCTV, Data & Telephone System

PHILIPPINE BILLION REAL ESTATE DEV'T LLC

**11500 KVA SUBSTATION,
34.5kV Installation of Primary Metering
System (First Private Pole);
Installation of 8 units of
Padmount Type Transformers;
Installation of Underground
XLPE Installation for 34.5kV System
Installation of Low Voltage
Main/Sub Feeders**

ROSARIO FASTENERS CORP

**2500 KVA SUBSTATION Installation of
1000kVA and 1500kVA Padmount Transformer**

International Pipe Industries (Batangas)

**EPC Project; Electrical Plan and Design
Analysis Installation of Power Substation
and 1-km 13.8kV Primary Lines;
Installation of ATS & LVSG
(5000AT ACB System) for 5 Factories
Installation of Building Wiring for 1st Factory**

Telford SVC Phils., Inc. (ASTI)

**Conduct Preventive Maintenance on High-voltage Facilities, 4MVA System
Conduct Transformer Oil Degasification, Dissolve Gas Analysis & DBV For 2 units of 2MVA
Padmount Transformers Replace LBS and Install Grounding System on First private pole.**

Stanley Corp. (Cavite)

**Installation of 1.5MVA Substation & Meralco Primary Metering,
Installation of 4000AT MDP and Underground Feeder for 600kVA Motor load**

Especiale Hotel (Rosario, Cavite)

Installation of Automatic Transfer Switch (1600AT ACB) & Service Entrance

SY3 Energy Maintenance & Services Corp (Cavite)

EPC Project, Electrical Plan and Design Analysis, Installation of Automatic Transfer Switch (3500ACB), Service Entrance, Industrial wiring, Heavy duty High-bay & Floodlights, cable trays and dry-type transformers

Shinsaegi (Cavite)

EPC Project; Design of Electrical Plan & Design Analysis; Installation of Service Entrance and Building Wiring

Kawit Pharmacy Warehouse (Cavite)

EPC Project; Design of Electrical Plan & Design Analysis;

Installation of Service Entrance and Building Wiring & Panelboards, Data & telephone, CCTV, Streetlights, Installation of Mechanical Piping.

AIRCON PROJECTS

CENTRAL DE AZUCARERA DE TARLAC

15 Tons VRV Aircon SYSTEM (Variable Refrigerant Volume)

DOST (Dept. of Science & Technology) -Phase 1

.50 Tons VRV Aircon SYSTEM (Variable Refrigerant Volume)

DOST (Dept. of Science & Technology) -Phase 2

168 Tons Package Type Ducted Air Handling Unit Aircon System

GINEBRA SAN MIGUEL CORP.

.15 Tons Package Type Ducted Airconditioning Supply & Installation

BSP Banko Sentral ng Pilipinas -DOF (Dept. of Finance)

30 Tons VRV Aircon SYSTEM (Variable Refrigerant Volume)

Our Lady of Fatima University -Fairview QC

.88 Tons Airconditioning System Supply & Installation

ICON PLAZA Building -BGC Taguig

30 Tons Airconditioning System Supply & Installation

BATANGAS STATE UNIVERSITY -Phase 1

31 Tons Airconditioning System Supply & Installation

BATANGAS STATE UNIVERSITY -Phase 2

.90 Tons Airconditioning System Supply & Installation

AMERICAN CHAMBER OF COMMERCE

.10 Tons VRV Aircon SYSTEM (Variable Refrigerant Volume)

CAVITE CHRISTIAN SCHOOL

31 Tons Airconditioning System Supply & Installation

Dept. of Trade & Industry (DTI)

43 Tons Airconditioning System Supply & Installation

Dept. of Tourism (DOT)

36 Tons Airconditioning System Supply & Installation

ALSON'S BUILDING Makati

40 Tons Airconditioning System Supply & Installation

Tripletech International Corporation

52 Tons Airconditioning System Supply & Installation

National Food Authority (NFA)

15 Tons PACU Precision Airconditioning System Supply & Installation

Popeyes Restaurant -MOA

48 Tons Airconditioning System Supply & Installation

Zapport Inc.

12 Tons Airconditioning System Supply & Installation And Preventive Maintenance Service all AC system units

Civil Aviation Authority of the Philippines

**8 Tons Airconditioning System Supply & Installation
And Preventive Maintenance Service all AC system units**

The Generics Pharmacy - Warehouse

10 Tons Airconditioning System Supply & Installation

Hon. Allan Peter Cayetano's Office

Wall Mounted Split Type Aircon Supply & Installation

Madison Galleries -Lifestyle Mall

.13Tons Airconditioning System Supply & Installation

Fynn Botique & Hotel

.150 Tons Airconditioning System Supply & Installation

N.T Philippines Inc.

30 Tons Package Type Airconditioning System Supply & Installation

Our Lady of Lourdes Hospital

11 Tons Airconditioning System Supply & Installation

Verve Residences Tower 1

Airconditioning System Supply & Installation

Hi-Advance Philippines Inc.

- 10 Tons Airconditioning System Supply & Installation**
- and Monthly Contract of Preventive Maintenance All ACU**

Tribars Construction

- **Airconditioning System Supply & Installation**
- **and Monthly Contract of Preventive Maintenance All ACU**

Unbound Quezon Project Foundation, Inc.

Airconditioning System Supply & Installation

Shin-Etsu Magnetics Philippines, Inc.

.12 Tons Airconditioning System Supply

Safari Security Agency

- **Airconditioning System Supply & Installation**
- **and Monthly Contract of Preventive Maintenance All ACU**

Chateau Elysee Condo -Admin Office

- Airconditioning System Supply & Installation**
- and Monthly Contract of Preventive Maintenance All ACU**

Crossbridge Construction

.15 Tons Airconditioning System Supply

Ambica International Corp.

- .110 units Quarterly Contract of Aircon Preventive Maintenance Service**
- .and 20 Tons ACU Supply & Installation**

Dance Studio -Makati

.15 Tons Airconditioning Supply & Installation

Club United Ph

- .13 units Quarterly Aircon Preventive Maintenance Service**
- .and 8 Tons ACU Supply & Installation**

Bread From Heaven Church

Aircon Preventive Maintenance Service & ACU Supply & Installation

NKTI Diagnostic Center

Airconditioning Supply & Installation

Showa Aluminum Manufacturing

Airconditioning Supply & Installation

EEF

Airconditioning Supply & Installation

Luminaire Printing & Publishing Corp.

Airconditioning Supply & Installation

TRI-Lion Ventures

Airconditioning Supply & Installation

MacBuilders -Tarlac

Airconditioning Supply & Installation

Residential Projects (Supply & Install)

- Margaret Requio's Residence -14units Aircon
- Queasada's Residence -12units Aircon
- Redd Cruz Residence -4 units Aircon
- Villanueva's Residence -7units Aircon
- Lyn Tan's Residence -5units Aircon
- Johnny SanJuan's Residence -6units Aircon
- Mae Pena's Residence -6units Aircon

Residential Projects (Supply & Install)

- Santos Residence -7units Split Type
- Nadine Soriano's Residence -9units Aircon
- Paolo Igot's Residence -7units Aircon
- Tobee Penaredondo -9units Aircon
- Nenita Aguba's Residence -4units Aircon
- Lucille Angeles's Residences -6units Aircon
- Rey Pena's Residences -7units Aircon
- And may more.....*

CHILLER PROJECTS

SM IKEA

4 units of 1000tr MAGNETIC WATER COOLED CHILLER (Supply & Install)

SM MOA

5 units of 1000tr WATER COOLED CHILLER (Supply)

International School Manila

2 units of 600tr Water Cooled Chiller (Supply and Installation)

CB Mall Pangasinan

1 unit of 220tr Air Cooled Chiller (Supply and Installation)

Globe Valero

6 units of 210tr Air Cooled Chiller (Supply and Installation)

CNS ATM

3 units of 150tr Air Cooled Chiller (Supply)

FDAS PROJECTS

JG Summit Petrochemical Corporation – Batangas

Ongoing Installation:

- ☐ Chemical Area
- ☐ Warehouse 1 and 2
- ☐ Laboratory
- ☐ 3 Control Panels EBL512
- ☐ Combination of Addressable and

Explosion proof system

- ☐ Integration with Security

Management

System via Modbus

Bridgestone Factory - Cavite

- ☐ New Production Facility
- ☐ Installed Fully Addressable EBL512 System
- ☐ Explosion proof detectors on hazardous areas.
- ☐ Phase 2 rehabilitation to old facilities and production plant.

EMI-Yazaki Manufacturing Plant, Cavite

Integration with OLD Conventional Type
Fire Alarm System

- 6 Conventional Control Panels converted into 1 Addressable Panel.
- 70 Zones with ~ 500 Detectors.
- Phase 3 on going – Conversion to Fully Addressable System and TLON connection.

PEPSI-COLA Manufacturing Plant, Muntinlupa

- FDAS Installation to New Warehouse and Building Expansion.
- EBL128 System Installed.
- ~ 100 Detectors and Accessories.
- High Ceiling installations using beam detectors.

Itabashi Seiki Factory, PEZA Cavite

- Installed EBL128 System
- High Ceiling Type w/ Vented Walls
- Clean Room and High Ambient-Noise Room Installations
- Zoning through Programming
- Graphics Interface w/ Fabricated LED Annunciators.
- Integration between existing Conventional System and Analog Addressable System.
- Strategic Zoning and Device Notification Locations for immediate response during emergency situations.

BINONDO SUITES HOTEL, MANILA

- Installed EBL128 System
- 79 Individual Rooms
- Strategic Zoning and Device Notification Locations to promote comfort and security for Clients.
- Minimize Zoning Complexities through FACP Programming.

SM Legazpi Terminal, Bicol

- FDAS Installation to Transport terminal and exterior area.
- EBL128 System Installed.
- 3 days installation and turnover.
- Next phase integration to main building conventional system.

Ginebra San Miguel Corp.

Ingasco Inc.

Fuji Industries

Maynilad Water Services Inc

COMPRESSED AIR PROJECTS

Completed Project: Compressed Air System

Completed Project: Compressed Air System
